

Praying for MY SCHOOL

Here are some awesome prayers you can use to radically change your school. These prayers are from God's Word, which is always powerful when you pray in faith and do not doubt. Try it and see what God will do!

- 1. Help us know You.** Dear Lord, I pray what's on Your heart: that every student and teacher at my school would come to know the truth about You and be saved. **(1 Timothy 2:4)**
- 2. Help our light shine.** Please give the Christians at my school the words to tell people about You. Help them to be bold and courageous. Help them to let their light shine so that people will praise You. **(Ephesians 6:19-20; Matthew 5:16)**
- 3. Help our principal and teachers.** Dear God, let our principal and teachers be good examples by being honest and fair in everything. Remind them to ask You for wisdom. Help them not give up even when it's been a tough day. **(Titus 2:7-8; James 1:6; Galatians 6:9)**
- 4. Help us learn truth.** Dear Father, as my teachers choose the lessons for each subject, cause them

By Fern Nichols

to pick ones that are based on things that are true, noble, right, pure, lovely, admirable, excellent, and praiseworthy. **(Philippians 4:8)**

- 5. Help us be respectful.** Lord, teach all of the students at my school to obey and respect the principal, teachers and coaches. We want to submit to their authority because You have put them in that position. Remind us that if we are rebellious, we are rebelling against You. **(Romans 13:1-2)**
- 6. Help us be kind.** Lord, cause our school be a place where students and teachers are kind and forgiving, just like You are with us. Show us ways to bless our enemies. **(Ephesians 4:32; Matthew 5:43-47)**
- 7. Help us choose friends.** Jesus, keep us from making wrong friends who will mislead us and pull us into wrong choices. **(1 Corinthians 15:33)**
- 8. Help guard our tongues.** God, please help everyone at our school not to say anything bad about anyone. Help us to be peacemakers and to be considerate and humble. Stop us before we use bad language; we want to say only what is good and helpful. Make our words be a blessing. **(Titus 3:2; Ephesians 4:29)**
- 9. Help keep us safe.** Please put a hedge of protection and blessing around my school and everything in it. Send your angels to guard us from anyone who is planning any violent or mean act. **(Job 1:10; Psalm 91:11)**
